## Congratulations to Jan G. Meere

Please join us in extending our best wishes to Jan who retired as President & CEO on May 31.

During his more than 30 years of leadership, Jan propelled the credit union from \$30 million in assets to \$218 million. He oversaw three mergers with SF Postal CU, Postal CU of Northern CA, and East Bay Postal CU.

Jan dedicated his career to the credit union cause. After serving in the US Army, he began working with San Jose District Telephone Employees CU (now CEFCU after two name changes and a merger) in 1972. He left the credit union in 1987 to become President & CEO of Pacific Postal Credit Union – now the bay area's only postal credit union proudly serving USPS employees and their families.

His passion for the credit union movement went beyond the credit union walls. Jan's more than 45 years in the industry also included serving as a League Delegate and as President of the Santa Clara Valley Chapter of the California Credit Union League for six years. The League recognized Jan with a Distinguished Service Award in 1996.

We wish him a long and happy retirement!

<sup>1</sup>APR=Annual Percentage. Rates and terms are subject to change without notice. All loans subject to credit approval. Actual rate offered is determined by your individual credit profile. Loan rates, excluding Visa, reflect 1/4% discount with a PPCU Secure Checking account. Restrictions apply.
